## PMR446 Walkie Talkie

MT725-2

- 
- UHF/FM 500mW Output Power Ultra-clear long distance reception. The maximum allowed by law.
  - Up to 3km Range Range will vary depending on terrain and conditions.
  - 8 Channels Front panel push buttons give you easy access to all 8 PMR channels.
  - 38 CTCSS Privacy Codes Known as Coded Tone Controlled Squelch System, it provides for a total of 304 "sub-channels" when combined with the 8 PMR channels.
  - VOX (Voice Activated Transmission) User's voice is detected and the radio transmits without the need to press any buttons, freeing the user's hands for other tasks. 5 VOX sensitivity levels allow user to select at which point the radio will detect their voice.
  - Baby Monitor Allows radio to monitor a baby whenever a sound is detected.
  - VibrAlert<sup>®</sup> Provides a silent alert for incoming calls.
  - Scan Allows user to scan either channels or CTCSS privacy codes within a channel to locate conversations in progress.
  - Dual Watch Programmable two location scan allows user to monitor two different Dual Watch Locations (channel or channel/privacy code) simultaneously.
  - Call Alert (5 selectable tones) Provides up to 5 easily recognizable call alert tones for incoming calls.
  - Roger Beep Tone Confirmation tone indicates the completion of your transmission, and signals to others it's clear to talk. This feature is selectable and may be turned on or off.
  - Keystroke Tone Signal Confirms key activation. This

feature is selectable and may be turned on or off.

- Key Lock When activated, provides key pad security eliminating accidental channel changes.
- Power Saver A unique circuit extends the life of your batteries. If there are no transmissions within 10 seconds, the unit will automatically switch to battery saver mode.
- Maximum Range Extender Provides extended range reception.
- Auto Squelch Automatically shuts off weak transmissions or unwanted noise due to terrain or range constraints.
- Backlit LCD Maximum ease of use even at night.
- Water Resistant Improved reliability for indoor/outdoor use.
- Speaker/Microphone Jack Allows use of earphone speaker/microphones and VOX accessories (not included) for "hands-free" operation.
- Charge Jack Allows charging of optional FA-BP NiMH battery pack using optional PA-CW Rapid AC Wall Mount Charger.
- Intercom Capable With an optional intercom adapter and two external speaker/microphone attachments, a single radio can be used as an intercom system (ideal for motorcyclists).
- Multilingual Manual Includes a 16 language instruction manual.
- No Licence or Service Fees High quality band frequencies with no fees.
- Belt Clip/Wrist Strap Secures your microTALK radio while on the go.
- Unit Dimensions  
153.5 mm H x 62.8 mm W x 40 mm D
- Unit Weight 99.225 g
- Batteries 4 AAA alkaline batteries per radio (not included)
